

## CONSTRUCTION UPDATE

I am excited to announce the Driveway Apron Project has been completed. Thank you to each and every one of you for being so patient and respectful throughout this entire process.

Over the last week of May, all of the community roadways have been repaired and repaved. The next project will be the front fence and frontage along Harbor

View Road. The concrete wall will be removed and replaced with a six-foot vinyl privacy fence and updated landscaping. Through this process you will see many different contractors working in the backyards of the homes located on Harbor View Road. Please allow them space to rebuild the fence, install irrigation, and plant new landscaping. Updates for the current community clubhouse are being permitted as well.

**New Home Colors:** If you are interested in one of the new paint colors for your home, please notify the Community Office with a Home Site Alteration Form. We will be happy to help you pick a color and provide you with the color codes required by the paint store. Please be mindful two homes directly next to each other cannot be the same color and we can only reserve your color for a few weeks before painting has to be completed or you could lose your color choice. Reserve your color soon!

**MANAGER'S CORNER**

Greetings Harbor View Residents,

As the summer season begins, construction projects within the community will continue. Thank you all very much for your patience and grace during our growth and development. As we all know, "the best laid plans of mice and men often go awry"; I want to say thank you to each and every one of you for being so considerate and extremely patient with me as we make plans, remake plans, and sometimes fly by the seat of our pants as we progress through our renovations.

The Social Club has put on some really fun events this last month. This could not happen without all of your support! I know June will be just as exciting. If you have any suggestions, please fill out a card and place it in the Social Club Suggestion Box located in the Community Clubhouse.

Last month I received a suggestion to make community forms more available, especially on the weekends when the Community Office is closed. All of these documents are now available in the Community Clubhouse on the bulletin board. This includes: copies of the Community Newsletter, Guest Registration Forms, Requests for Attention Forms, and Home Site Alteration Forms. An updated Community Calendar and information for community wide events are posted there as well.

Please be mindful not to park or drive on the new sod at any location within the community, there are underground irrigation lines and sprinkler heads that could be accidentally damaged or destroyed. This includes golf carts and bicycles.

Thank you again for such a great month. Please continue to show support to Harbor View as we continue this transition of construction and growth.

- Mandy
