Registration is required if you plan to attend. A sign-up sheet will be located inside the Community Clubhouse.

MANAGER'S CORNER

Greetings Harbor View Residents

March is upon us which means Spring is just around the corner.

We are going to continue to provide residents with monthly reminders based on the Harbor View on the Bay Prospectus/Community Rules & Regulations. We ask that if you have any questions about any of these, that you contact the Community Office for clarification.

A hard copy of the Prospectus and Community Rules & Regulations can be found inside of a binder at the Community Clubhouse library. We ask that you please do not remove the binder from the library.

- All complaints to Community Management must be made in writing and signed and dated and submitted to the Community office. The delivery of written notices required by Chapter 723, Florida Statutes, under the terms of any Lot Rental Agreement or these rules and regulations shall be by mailing or delivery of a true copy thereof to the Community Management office as required by Chapter 723, Florida Statutes. If you have any complaints, recommendations, etc., please discuss them with the Community Management. Avoid passing rumors on to others. Come to the office--we will be glad to do everything possible to correct problem situations. Community Management is not responsible for delivery of personal notes, messages, etc.
- When leaving the Community for a period in excess of one week, Resident shall notify Management in advance of the date of departure and leave with Community Management complete information regarding insurance; contact information for a person to reach in case of emergency or to obtain access to the home upon prior written consent of Home Owner; lawn care and address where they can be reached during their absence from the Community; and the approximate date of return. Before departure from the Community, Resident must turn off water and advise management if electricity is to remain connected. Community Management must be notified upon Resident's return to Community.

****Please note...** it is important when you are LEAVING for the season to contact the Community office and to be sure we have your Northern address on file. It is just as important when RETURNING to the community, to let the community office know upon your return into the Community. There are Seasonal Resident Forms located in the Community office that must be complete prior to your leaving for the season.
