MANAGER'S CORNER

Greetings Harbor View Residents

We would like to start out by giving a big THANK YOU to the Social Club and all of the Volunteers who work so hard to make all of the monthly events enjoyable for our residents. Without all of you, these events would not be possible. Volunteers are always needed and appreciated. Anyone who would like to assist with future Community events, should plan to attend the monthly Social Club meetings! As a reminder, we ask that you please sign up for events on the sign-up sheets located inside the community clubhouse. This helps the Social Club determine the amount of food needed for events 😊

It has now been 8 months since Hurricane Ian. We appreciate all of the efforts that many of our Community Residents have put forth in making necessary repairs to their homes. There are homes here in the Community that still need some work and we will be going home to home over the next couple of weeks to assess your visible damages and discuss our findings. At that point, it will be the homeowner's responsibility to secure a contractor by the end of the month to have the necessary repairs complete. We have a couple of different contractor cards here in the office and we have given them permission to leave quotes on resident doors here in the Community. Please feel free to stop by the office to pick up a card.

We are going to continue to provide residents with monthly reminders based on the Harbor View on the Bay Prospectus/Community Rules & Regulations. We ask that if you have any questions about any of these, that you contact the Community Office for clarification.

A hard copy of the Prospectus and Community Rules & Regulations can be found inside of a binder at the Community Clubhouse library. We ask that you please do not remove the binder from the library.

VEHICLES:

- Speeding in excess of posted limits is prohibited. All autos, motor-cycles, mopeds and any other vehicle must observe the posted speed limits of ten (10) miles per hour and obey all "stop signs" or other posted warnings. A FULL STOP must be made at all stop signs. All of these rules and regulations will be enforced as this is for the safety of our community residents. Residents must inform all of their guests and visitors about the speed limit and the aforementioned rules and regulations.

H. Roller skating and skateboarding are prohibited within the Community.

I. Bicycles, golf carts and pedestrians have the right of way.

J. Only individuals having a current and valid driver's license may operate a motor vehicle (including a golf cart) in the Community.

K. The building of boats in the Community is prohibited.

L. Bicycle riding in the Community after sunset is permitted only if bicycles are equipped with front lights in working order and reflectors on the rear of the bike. Bicycle riders must obey all street signs.

PETS:

My pet will not be tied outside my home or at any other place in the Community.
-
- The pet will not be allowed to make deposits in common areas of the Community or on lots of other Community residents and that Resident is responsible for removing any such deposit should an accident occur.

We would like to conclude to wishing all of our Mom's & Grandmom's a very
